WHO WE ARE

The Blue Springs Chamber has been in existence since 1962. We are a private non-profit (501c6) organization comprised of more than 500 local businesses, organizations and individuals. The Chamber staff team is made up of five staff members, led by President, Lara Vermillion. Oversight of the Chamber is governed by an 20-member Board of Directors. The Chamber's funding comes from Membership Dues, Fundraising Events, Advertising and Signature Events.

Our members are our partners. As such, we strive to understand and anticipate the needs of our members and our community. We maintain an open-door policy and emphasize communication and availability. Come talk to us about what is relevant to you so we can determine how the Chamber can help.

Lara Vermillion

“At the Chamber we are the principal advocate for and provide services to the business community. I take that responsibility very seriously. Our country’s system of free enterprise is foundational and represents the creative spirit, individual opportunity and hard work of business owners everywhere.”

WHAT OUR MEMBERS ARE SAYING

“The Chamber, and all of the great connections we’ve made along the way, have helped us get to where we are today.” - David Mann, East Forty Brewing

I’ve been a member since I opened my business in the year 2000. It was one of the best, least expensive ways for me to market my dental office back then. It has given me valuable local contacts for services & vendors that helped me start and now maintain my business. - Natalie Beltgens, Once Upon A Smile

“We have been members of the Blue Springs Chamber for many years but really in name only. After reaching out and getting help and support on our recent remodel I was reminded of just how valuable they can be. The support on marketing, and the help we have received on cutting through some red tape to help us get information we needed with the city was amazing.” - Mike Ronchetto, Zarda Bar-B-Que

OUR STAFF

The Blue Springs Chamber has assembled a dedicated team to meet the needs of the organization and deliver support to our membership. With a combined 50+ years of business support experience, we understand and anticipate the needs of our members and our community.
